

# Seaway Valley Singers Christmas

MORRISBURG – For many, it simply wouldn't be the Christmas season without a performance by the wonderful Seaway Valley Singers. Well, the wait is over. On Sunday, December 11, at 3 p.m., at the Williamsburg Christian Reformed Church, County Road 18, the Singers are holding their traditional Yule concert.

The popular choir, featuring very talented local singers, is directed by Robert Jones, with piano accompanist Margaret Whisselle. This afternoon of the glorious songs of the season will be hosted by Dr. Gerry Rosenquist. The choir has been in rehearsals for this big event for some weeks.

Director Jones promises that "Fa-La-La" will cover a varied and exciting program of both sacred and secular music, songs celebrating Advent, Christmas and Hanukkah. From the beloved Irving Berlin classic, 'White Christmas,' to 'Ding Dong, Merrily on High,' the concert will thrill audiences of all ages. Carols like 'People Look East,' 'While By the Sheep We Watched at Night,' and John Rutter's 'Nativity Carol,' will remind everyone of true reason for Christmas, while Woody Guthrie's 'Joyous Hunukkah' will delight everyone.

One highlight of "Fa-La-La" will be Mozart's 'A Little Night Music,' but with a new twist. It

will incorporate words from the jovial 'Deck the Halls'.

Start the Christmas season truly

off on the 'right note' and don't miss the Seaway Valley Singers in concert.
