

Librarian's Report

2019-2020

In January 2020 there were 37 choir members to begin the semester.

Due to COVID-19 the choir rehearsals were suspended, and arrangements were made to have all music returned. Thanks to Rosemary Wells who gathered all the music and delivered it to my front porch. The music was sorted and held until August 11, 2020 when it was filed. The music library file has been updated and forwarded to executive members.
