

Dear Seaway Valley Singers,

*Although we are not yet singing together,
you are very much on our minds during this Christmas
season.*

*You have already demonstrated the Christmas spirit
this year with generosity as member donors and as
sponsors. As a result, the choir was able to contribute
half base stipends to our Music Director and Accompanist,
Bob and Margaret, throughout the fall semester. Now, at
the close of the semester, we are pleased to inform you in
gratitude that sufficient funds remain to continue
contributions through to the end of the upcoming winter
semester.*

*Given the modest positive balance for this season, we
will not be reaching out to the membership for winter
semester contributions, but be assured that you all remain
members in good standing – or more correctly, in the highest
of standing!*

*We extend to you and yours our sincerest wishes for
peace, happiness, and safety during the Christmas
season and throughout the new year, when we pray that
we'll be singing together once again!*
